

## Thirdrock appoints chief risk officer

Sep 22, 2015 | [Print](#)

Keywords:

Thirdrock, Risk mangement

**Singapore-based multi-family office Thirdrock Group has hired Jasper Lai from Citibank as chief risk officer.**

**He will lead and ensure the efficient and effective governance of risks and related opportunities across the organisation.**

This will include the implementation and development of all risk policies, procedures and processes as well as assessment of all reporting processes.

Prior to joining Thirdrock, Lai led the consumer FX franchise at Citibank across Asia Pacific as managing director and head of foreign exchange business, regional consumer treasury.
